St Aidan's Primary School Rooty Hill Sharing News & Views

From the Principal

Dear Parents,

Last Monday each family received an information sheet regarding the booking of interview times for the upcoming parent/teacher/child interviews to be held in week eleven. It is very important that you come along to an interview in order for you to engage in conversation about your child's numeracy goal. Should you have any difficulty booking online, please don't hesitate to contact the school office for assistance.

It is with sadness that I inform you that 'Lyn' from the school tuckshop will be leaving St Aidan's at the end of this term. As she has a number of family commitments she is unable to continue in the role of tuckshop coordinator.

Lyn has been a very loyal supporter of our school and has done great work in the tuckshop over the past three years. She has been very caring of the children and has gone out of her way to accommodate the needs of students and staff.

On your behalf I wish Lyn every best wish for the future and trust that she will always remain a 'friend' of St Aidan's.

The tuckshop contract was put out to tender and we are pleased that 'classroom catering' has been successful in securing the tender for St Aidan's. Classroom catering will commence at the start of term two.

St Aidan's is now accepting enrolments for Kindergarten 2017. If you have a son/daughter who will turn five by 31st July 2017, please contact the school office for an application for enrolment.

I will hold the initial interviews with children and parents during next term.

Please pass on this information to friends and neighbours who may have children ready to start school next year.

As this week is Holy Week all students and teachers prayed 'the stations of cross'. These stations are a reminder to us of the passion of Jesus and the suffering he offered for us. The times of the Easter ceremonies are included in this newsletter in order that you might attend with your families.

On behalf of the staff I wish each of you a very happy and holy Easter and an enjoyable break.

Students return to school on Tuesday 29th March for the remainder of term one.

Thank you for your continued support.

Yours sincerely

Dr. Elizabeth Ricketts
Principal.

On Palm Sunday, Christians celebrated Our Lord's triumphant entrance into Jerusalem where crowds lay palm leaves before him. It also marks the beginning of Holy Week.

On Holy Thursday, Christians remember the Last Supper of Jesus Christ. The Last Supper was the final meal Jesus shared with his disciples.

Good Friday is the day on which Christians honour the crucifixion of Jesus Christ.

Please note the times for the St Aidan's Parish Easter ceremonies.

Mrs Miray Khoury
Religious Education Coordinator.

### *Familiarisation of School Policies*

#### **Medication Policy**

Parents of students requiring medication in school hours must inform the secretaries in the school office. Parents **MUST** request the administration of medication in writing. There are forms available at the school office and on the school website.

The following **MUST** be provided in writing:

- date
- parent/guardian signature
- name of medication and details of dosage
- time to be administered
- duration of the medication
- acceptance of full responsibility in delegating the administering of the medication to the school.

The medication is to be sent to school in a resealable plastic bag with the child's name and class on the bag. If needed, a spoon or measuring cup is to be supplied with the medication. Students who are asthmatic or who are anaphylactic will require an action plan from their doctor.

If you require more information please ask at the school office.

*Mrs Christine Leahy*  
Assistant Principal.

### *Literacy Matters* **SPELLING**

How you can support your child in learning to spell:

- say speech rhymes and tongue twisters together
- play 'detective' games with words. Ask your child to be a detective and find:
  - words that rhyme, eg can, fan, man, tan
  - words that begin with the same sound, eg sun, sausage, sea
  - words that end with the same sound, eg hat, street
  - little words in big words, eg 'am' in 'jam'
- words that sound the same but are spelt differently, e.g. ate - eight, to - two - too, their - there
- play word games that focus on the sounds of words, e.g. *Junior Scrabble, Boggle, Word Snap, Wonderwords, Junior Crosswords, I Spy, Hangman.*

*Mrs Christine Leahy*  
Assistant Principal/Lead Literacy teacher.

Numeracy News

Tips to support your child in Mathematics this year

- ♦ Always encourage your child. Don't tell them they are wrong; rather look at the logic in their thinking. Why did they make that mistake?
- ♦ Challenge your child to think differently and explain their thinking. Ask them to prove it!
- ♦ Stay positive and don't talk about the negative experiences you have had with maths.
- ♦ Encourage number sense. Allow your child to understand the size of numbers and practise the skill of adding and subtracting numbers in many different ways.
- ♦ Remember that maths is not only about reaching the answer quickly. It is also about working creatively to get the answer and showing mathematical thinking in many different ways.

In the next newsletter I will look at different tasks you can do with children over the holidays.

What Mathematics will you **notice**, **discuss** and **explore** with your child this week?

Miss Prudence Hall
Lead Numeracy Teacher.

Hall of Fame

★ Congratulations to the following who have been listed in the *Hall of Fame* this fortnight. ★

ACHIEVEMENT AWARD WINNERS

KH	Sanja Surkic	Luka Saric
KQ	Neo Aquino	Layla Khoury
